We Believe In Trust

From automotive to household –
precision moulding for every need.

WELCOME TO

Venkatesh Plasto

INTRODUCTION

Plastics products are integral to virtually every industry — from agriculture and healthcare to construction and consumer goods. Choosing the right manufacturing partner is critical to the success of any product.

Venkatesh Plasto is a trusted injection moulding manufacturer based in the MIDC Waluj industrial area of Aurangabad, Maharashtra. With years of hands-on experience, we deliver precision-crafted plastic components tailored to meet diverse client specifications.

Our commitment to quality, reliability, and timely delivery makes us the preferred partner for businesses seeking a dependable plastic components supplier.

...and many more valued partners across sectors.

MACHINE SPECIFICATIONS — MACHINE 1 OF 3

150 Ton

GOLDCOIN Make | Micro Processor Injection Moulding Machine

Tie Bar Distance	410 × 410 mm
Shot Weight (Max.)	160 grams
Mould Height	200 - 400 mm
Platen Size	600 × 600 mm

MACHINE SPECIFICATIONS — MACHINE 2 OF 3

160 Ton

GOLDCOIN Make | Micro Processor Injection Moulding Machine

Tie Bar Distance	420 × 420 mm
-------------------------	--------------

Shot Weight (Max.)	180 grams
---------------------------	-----------

Mould Height	200 - 400 mm
---------------------	--------------

Platen Size	600 × 600 mm
--------------------	--------------

MACHINE SPECIFICATIONS — MACHINE 3 OF 3

180 Ton

JIT Make | Micro Processor Injection Moulding Machine

Tie Bar Distance	460 × 460 mm
-------------------------	--------------

Shot Weight (Max.)	300 grams
---------------------------	-----------

Mould Height	180 - 460 mm
---------------------	--------------

Platen Size	670 × 670 mm
--------------------	--------------
